EPILOGUE

BUILDING UP . . .

We spent six years at Bellingham Memorial Junior-Senior High School building up to one moment: GRADUATION. As a recent graduate, I believe that the time we have spent at BHS throughout those six years is what made us the people we are today, more than just graduates.

We entered Bellingham Junior High School in the seventh grade as unsure, apprehensive adolescents. Peer pressure surrounded us, not just about smoking or drinking, but about the clothes we wore, the people we hung out with, and the activities we joined. Junior high was a time of exploration and slowly, but surely all of us found our niche at BHS, whether it was sports, student government, performing arts, or clubs like S.A.D.D. or Peer Leaders. We all found that one group of friends that made us feel at home.

Before we knew it junior high was over and our lockers moved downstairs, with the big kids. Playtime was over, the teachers told us, and the real schoolwork began, more homework, projects, term papers, and even final exams. Our first two years of high school went by quickly, but things began to change a bit. We lost touch with some of the people closest to us in junior high and formed relationships with who seemed like the most unlikely of friends, and then there was the D-word, dating. In these very unsure times we started to forge our own identity, and began to make our own little mark on BHS.

As soon as high school became comfortable to us the crucial junior year hit, and the work was piled on. We were bombarded with messages to begin our college searches early, to brush-up on our vocabulary and math skills for the PSAT's and the SAT's, to become more involved in school activities, and most of all, to keep our grades as high as possible. Junior year was stressful, not just academically, but socially as well. One-year closer to graduation, we felt on top of world, until we walked down the senior hallway and realized that we weren't quite there yet. We attended the Christmas Party and the Prom, and surprise, surprise, became friends with the infamous seniors we had feared as younger students. As graduation arrived a feeling of excitement mixed with sadness was in the air. Many of us were sad to see our new senior friends leave, but we were all ecstatic to think that our own senior year was upon us, and it was time for a little bit of . . .

1999

BUSTING LOOSE!

We made our last locker change that September, as we became the most recent class to populate the senior hallways. As we journeyed through our last year together at BHS all of the things we had taken for granted as underclassmen became a little more precious to us.

Sharing the bond of being seniors caused many of our relationships to again change. Old friends became closer, new friendships were made, and lost ties were reunited, as we found that one group of friends that we cared for completely, and loved entirely.

We attended our last Homecoming, dressed-up for our last Spirit Week, drew our last bulletin board, and participated in our last Spirit Week Pep-Rally, and under all of the smiles and cheers there was a hint of sadness knowing that the end was near. Just like the teachers said, college applications snuck right up on us, and in the midst of the January deadlines the phrase "I should have started looking earlier," was often heard in the hallway. It seemed like second quarter came as quickly as it went, with only the Christmas Party sticking-out in my mind. We dressed-up for a night of dancing and that is what we received, dancing, dancing, and more dancing. I felt like we had danced forever, and at the end of the night no one wanted to go home, maybe because we were again experiencing something for the last time.

Before we knew it spring had arrived, and with it came the highly anticipated college acceptance letters. We ran home from school every day, checking the mailbox for that one letter we had been awaiting. For some of us, that one letter was good news, for others, it was disappointing, but for all it was scary, because it meant one thing: high school was over, and college was waiting.

Trying not to think of the future too much, we dove into our senior activities, and everyone came down with Prom Fever. Although this was our last Prom at BHS, our last formal dance, we were a bit more relaxed about it than during our junior year. Stress-free planning was important to us, as the girls shopped for dresses, guys looked for tuxes, and everyone found dates. As we pulled-up to the Sheraton Tara and stepped-out onto the red carpet it we felt the magic in the air, and another memory was made.

The next few weeks were a blur, and the before we knew it, our last week of school was upon us. That is when everyone began to really bust loose. Our exams flew by, and the second-to-last day of school was here, and during that lunch period some would say we busted a little too loose, and the rest is history.

Class Day, Graduation, and Operation Graduation were times for celebration and reflection, as we said our final good-bye's to BHS and to each other. Through all of the cheers heard, there were tears shed, some openly, others silently, because we knew that this was the breaking point. We would never again be students at BHS, an era of our lives had ended, and a new one was beginning.

As I write this, two months after Graduation I think of my friends and how much I will miss them. There are not tears to be shed, and I smile because they have taught me some of my most important lessons between the brick-covered walls of BHS, they have made me the person I am today, much more than just a graduate.

Student Life

Getting Involved

1999 was an interesting year for BHS, as the student body became more involved than ever. The Hawks participated in numerous activities, including SADD, Drama Club and Peer Leaders, making participation soar to new heights. Students were rewarded handsomely for their efforts with field trips, dances and events like Spirit Week, Homecoming and the Junior/Senior Christmas Party. We hope everyone had a great year!

Liz Gargan signs her name in the NHS book, becoming a new member.

Spirit Week was a blast this year — as you can see it has worn Blue out. She is taking a much needed nap.

Homecoming 1998

October 10, 1998 was a Homecoming unlike most years. This year there was an unprecedented tie between queens, Stacy Blue and Jillian Bernard were the lucky recipients. Justin Prophet was the King, along with Jarrod Johnson, Sonny Milani, Bruce Denietolis and Adam Crawford as princes. The princesses included: Theresa Motroni, Melissa Ranieri, and Bethany Farese. As usual, the Touchdown Club sponsored Homecoming. The whole school had a great time, dancing the night away!

SPIRIT WEEK

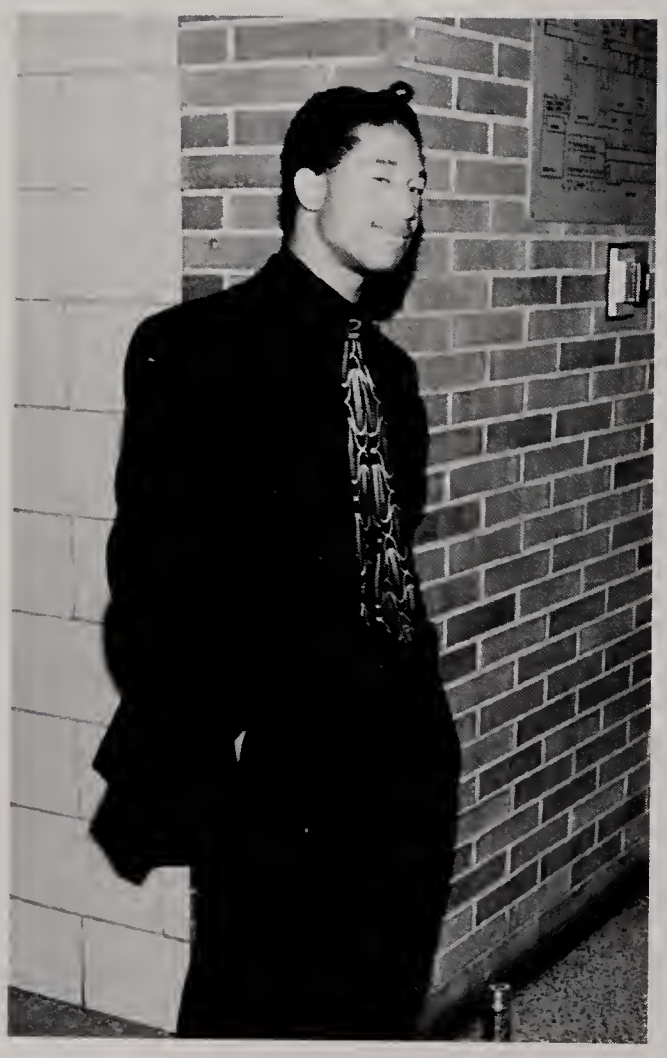
This year's Spirit Week was different than those of previous years. Due to scheduling conflicts, Spirit Week was held after Homecoming, from October 26-30.

Throughout the week the freshman, sophomore, junior, and senior classes competed in dress-up days, bulletin boards, and spirit links.

The dress-up days, which were won by the seniors, consisted of Color Day, Pajama Day (a perennial favorite), Carnival Day, Formal/Crazy Hair Day, and Black and White Day. The juniors won the bulletin board contest, but to no avail, as the seniors were unbeatable, winning Spirit Week yet again.

Friday's Pep-Rally was the perfect ending to 1998's awesome Spirit Week. Blackhawk Harry Martin beat "Millis Mohawk" Victor DaCosta, as they wrestled Bellingham-style. The Football team went on to an exciting victory over Millis, way to go Blackhawks!

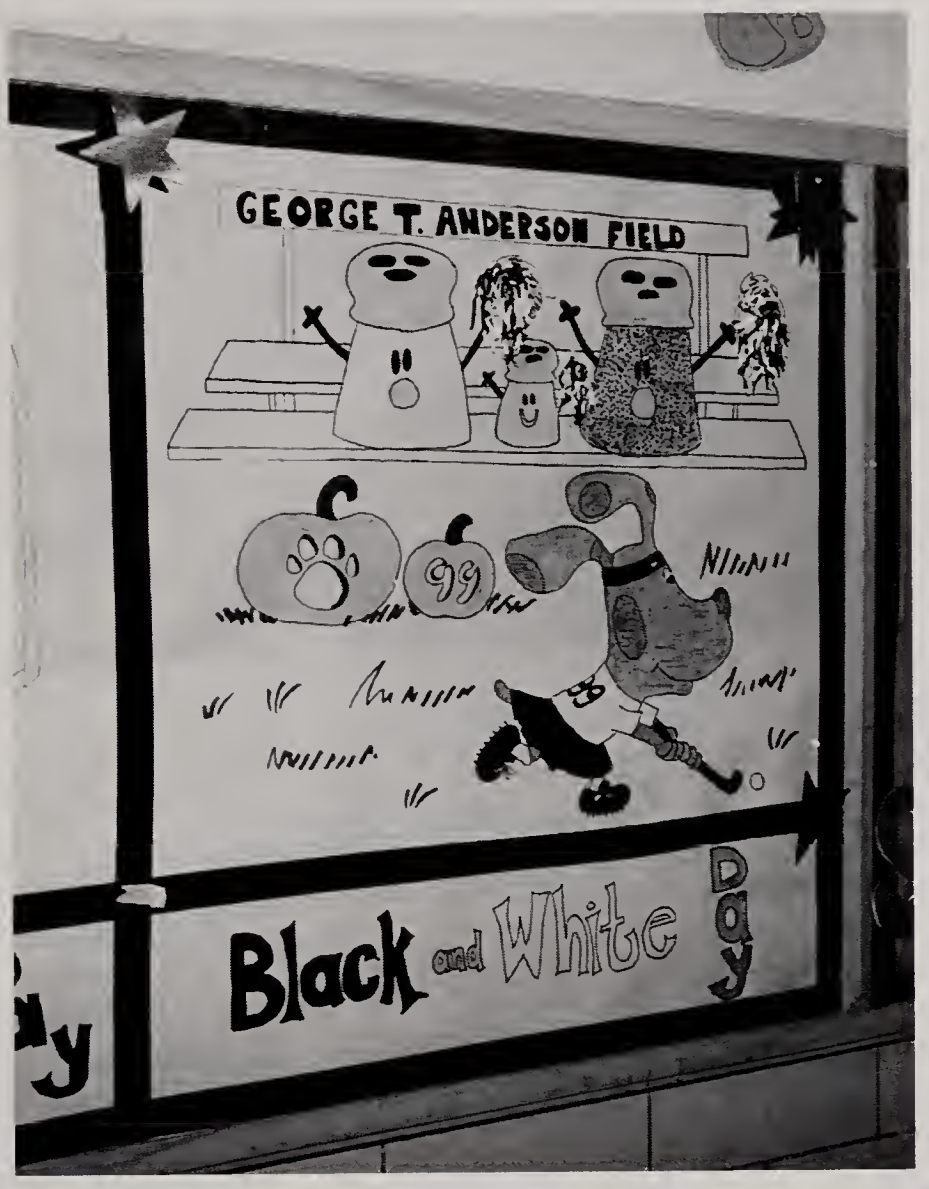
Suited-up for the Pep-Rally are Anne Conroy, Patrice Laverdiere, Leigh Ann Pendelbury, and Briana Hill.



Marcus Floyd is looking good . . . except for that comb in his hair. Did he forget to look in the mirror before he left the house this morning?

Is Disco Fever making a comeback? NO! Its just Seniors Becky Bishop and Mark Lussier showing their spirit on Formal/ Crazy Hair Day.

The Seniors chose "Blue's Clues" as their bulletin board theme. It looks like Blue is playing for the Hawks this year!



Student Council members Ashleigh Hoagland and Tracy Dennis are manning the table, selling spirit links and lollipops to benefit the Student Council Scholarship Fund.

DECA

DECA stands for Distributive Education Club of America. This year our DECA chapter successfully ran fundraisers such as the Rock-a-Thon and Data Match. All proceeds went to local charities. There were twelve members that participated in the State Competition at the Park Plaza in Boston. Leigh Anne Pendlebury was the first Bellingham member to be elected State Officer for The Mass DECA State Action Team.

Make Your Own

The 1999 Epilogue staff decided to add something new to the Student Life Section of the Yearbook: Make Your Own Page. Since every student's life is different, we wanted to give each student some space of his or her own. You can use this page to add something which is not included in the Epilogue or to expand upon something already included. Whatever you use these pages for have fun and be creative. The Drama Club had a banner year. The 1998-1999 school year was a great success as they staged two productions. The fall production, *The Fall of the House of Usher,* did very well, and the spring show, *You're a Good Man, Charlie Brown* brought the house down. We applaud the cast and crew — Bravo!

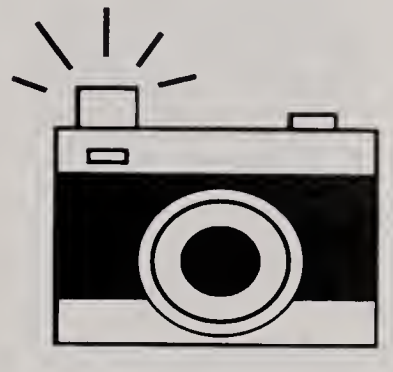
EYE OF THE HAWK



The Eye of the Hawk certainly has a nose for news as they reported the BHS happenings. Losing few seniors, the newspaper staff looks forward to a promising future. Can you say Pulitzer?

Language Club

Mrs. Mills and Mrs. Trocchio had a successful year as the Language Club advisors. A new club at BHS, the Language Club almost doubled in size since last year. The second annual International Festival was an exciting and unique learning experience for the entire school. Combining the arts, history, language, and culture all students came away from the week with a new understanding of foreign cultures.

Yes, it's true, 19 BHS students were on trial this year . . . in the statewide Mock Trial Competition. Choosing the role of either lawyer or witness, students prepared a case from affidavits, law and rules of evidence. This year's civil case dealt with the First Amendment and the internet. The BHS team fared extremely well this year; they went 3-0 and advanced to the state semi-finals!

The Peer Leaders had an exciting year at BHS. Along with the encouragement of Mrs. Flanagan and Mrs. Dennis the Peer Leaders became more involved than ever before, tackling the issues of AIDS/HIV Awareness, Teen-Dating Violence, Sexual Harassment, Eating Disorders, and Anti-Smoking, while running the Career/College Resource Room, where Peer Tutoring is offered. Many Peer Leaders were also involved in the Gay/Straight Alliance, which is in its second year at BHS. The Students traveled to Bridgewater State College and Bentley College, among others, to attend statewide conferences on issues that affect high school students today.

The Mentors in Violence Prevention (MVP) program returned to BHS this year, linking Peer Leaders and athletic leaders in the fight against men's violence on women. After a series of training workshops, many Peer Leaders traveled into the seventh and eighth grade classes with the message to stop dating violence.

The Peer Leaders became involved in a new project this year, Holocaust Education. Bringing Holocaust Education into schools is very important, and the Peer Leaders hosted fall and spring seminars about the topic.

"Love Makes a Family," a photo-exhibit on families with Gay and Lesbian members was brought to BHS by means of the Massachusetts Safe School Grant that was received by the GSA. Along with the exhibit, the grant enabled the GSA to purchase a collection of books and videos, which are now available in the library.

All of the Peer Leaders did a wonderful job this year, and are thankful for the dedication and effort that Mrs. Flanagan and Mrs. Dennis add to the program. Bellingham is fortunate to have this group, which is dedicated to educating the school on issues such as diversity, tolerance, and social awareness.

S.A.D.D. has been reborn at Bellingham High School, due to increased student involvement and the dedication of advisor, Mrs. Hebden. In its second year at BHS, Students Against Destructive Decisions has adopted a new campaign to reduce the number of alcohol-related deaths in car accidents by 2000 people, by the year 2000. We join you in the fight. The second annual Grim Reaper Day was a success, illustrating to Bellingham students just how serious drunk driving is. We thank you for that. Also a great success was the annual Prom Promise conducted by S.A.D.D., encouraging students to pledge not to drink and drive on Prom night. This summer, many S.A.D.D. members will attend the National S.A.D.D. Conference in Washington DC to learn new and different ways to combat destructive decisions in high school. We encourage all BHS students to make a constructive decision and join S.A.D.D. in the fall.

Making Waves

This year the National Honor Society Seniors embarked on a White Water Rafting Trip to Maine. After a long bus ride through the scenic back roads of New Hampshire and Maine the students finally reached their destination, the Northern Outdoors Resort. The group got outfitted in wet suits and headed to the Kennebec River for an exciting day of rafting, after a good night sleep. The fun-filled weekend of rafting, shopping and relaxing exhausted the group and as they returned to BHS it was safe to say everyone had a great time.

On October 28, 1998, 72 juniors and seniors were inducted into the National Honor Society. Selection to the NHS is based upon 4 qualities: Scholarship, Character, Leadership and Service. The 1998-99 school year was a success for the BHS Student Council. The Student Council kicked-off a great year with the annual fall Homecoming weekend and Spirit Week festivities. All of the Bellingham students had a blast, as they dressed up for theme days, competed in the bulletin board contest, and purchased Spirit Links, which benefited the Student Council Scholarship Fund. The Thanksgiving Food Drive and the Christmas Toy Drive were great successes, allowing the BHS students to give back to the greater Bellingham community. As the school year came to a close the Student Council traded in Spirit Links for Hershey Kisses, as the "Kiss a Senior Goodbye" campaign was held, again benefiting the Scholarship Fund. The Seniors would like to kiss Mr. Dalpe and Mr. Cleary goodbye for all of their hard and dedication to the Student Council. Thank you.

Sports Section

A Banner Year

Sports fans definitely had something to cheer about this year at BHS. The Hockey, Golf, and Boys and Girls Basketball teams all traveled to tournament this year, while the Field Hockey girls won the Sectional Title and competed in the States. The Power-lifters brought home a National Championship. BHS was most ecstatic when the Football Team took over Nickerson Field at BU for some Super Bowl Madness. Way to go Hawks!

Flying High Again

What a year for the Blackhawks. After a string of unsuccessful attempts, the hungry football team reached the ultimate: **1998 Division V Super Bowl Champions.** They dominated South Boston with a score of 34-8 on December 5 at Boston University.

The Bellingham Blackhawks obtained a well-deserved reputation and became a threat to every opponent they faced. This year's team was stacked with sixteen seniors, giving it the backbone of experience it needed to go all the way.

Even though the Blackhawks turned BU's Nickerson Field into a second home, the most exciting game of the season was fought and won on BHS's Anderson Field. The Blackhawks battled neck and neck against Millis, winning the game in overtime. As the fans rushed the field, everyone was flying high.

The B.H.S. cheerleaders had one of their best seasons ever. Under the direction of their new coach, Keith Mottolla, they really turned some heads. The cheerleaders also made a commercial which aired on the WB, channel 56 to kick off superbowl weekend.

Hawks Soar to States

The Lady Hawks, lead by tri-captains Bethany Farese, Stacey Blue, and Becky Drake, had a very successful season soaring all the way to the State Finals. Unfortunately, Quaboag stopped their run, defeating them 2-1 in OT. However, they take no shame in being South Sectional Champions. The Hawks are losing six seniors this year. Leading scorers, Melissa Ranieri and Stacey Blue, a.k.a. McGwire and Sosa, will be missed, along with Farese's vicious hit, attitude, organization, and hard work. Also leaving is sweeper Theresa Motroni, whose great skill aided tremendously in the Hawk's tournament birth, with the help of star defenders Missy Peloquin and Cindy Pultz. BHS always has depth and the sophomores and juniors are prepared to soar once again to the finals. Work hard, have fun, and good luck!

Number 1 Again

The Junior Varsity Field Hockey team held onto their number 1 TVL title for the second consecutive year. The team was lead by returning captains, sophomore Michelle Dennis and Junior Briana Hill with the addition of captain sophomore Janae Laverdiere. The rest of the team played great as always, with lots of coaching advice from former Bellingham great Brenna Elliot.

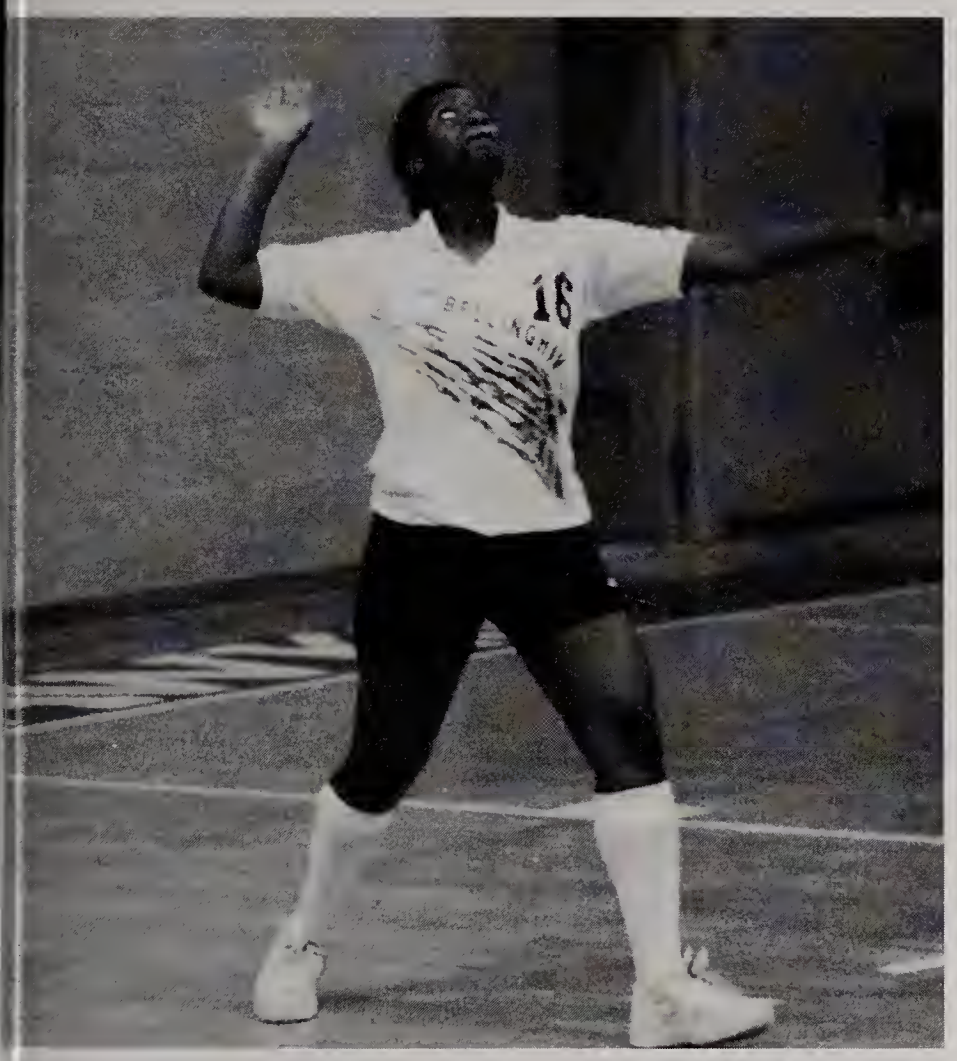
Scholar Athletes

Latoya Etheridge

Mark Lussier



Intellectual, outgoing, and spirited are three adjectives that describe this year's Scholar Athletes Latoya Etheridge and Mark Lussier. These well-rounded students have enhanced BHS as members of Peer Leaders, Student Council, and National Honor Society. They were also integral to Bellingham sports, as key players for the Volleyball and Basketball teams. Good Luck next year.

Faculty

Making the Grade

1999 was a year of change at BHS. We saw the addition of many new faculty members. Bellingham students also witnessed a changing of the guard as Mrs. D'Alfonso took over as Assistant Principal. We are also saying good-bye to some wonderful teachers. Mr. Polito. Mr. Schreffler and Mr. Gayer. Thank you for your dedication to BHS and good luck next year.

Mrs. Flanagan reigns supreme in the eyes of her students.

Mr. Schreffler will be greatly missed next year. We wish him the best.

Bellingham is sad to see Mr. Polito go. He was not just a teacher, but a friend.

After hundreds of practices, football games, and concerts, Harry G. Schreffler is putting down his baton. Harry began his career in 1974 teaching the junior high bands. In 1980, he took charge of the high school band and chorus as well. Mr. Schreffler has led the band and chorus to numerous competitions and victories. His presence will be missed at BHS as a teacher, a mentor, but most of all as a friend.

Underclassmen

Building Blocks

Underclassmen are on the rise at BHS. This year the 7th Graders enjoyed a field trip to Canoby Lake Park, while the 8th Graders went to the theater. Freshmen participated in the annual class trip to Riverside and Sophomores held their Ring Dance. Juniors lucked-out this year, as they were once again afforded the privilege of parking, and gained some new ones as well. Enjoy your high school years!

A Winter Wonderland

On April 10, 1999 from 6-10 p.m. in the gymnasium, the Sophomore class gathered for the annual Ring Dance. The gym was decorated like a Winter Wonderland while they danced to the song, Everything I Do. Chosen for the court were King and Queen Adam Levesque and Crystal Pickersgill. The Princesses chosen were Natalia Paniss, Erin Mailett, Jennifer Cardinal and Michele Fay. Princes were Justin Ridenour, Mark McNamara, Justin Bjork and Terence Sanderson. A good time was had by all who attended.

Glory Days

The BHS Class of 1999 will always be remembered for their individuality and school spirit. The Class of 99 has changed the face of BHS forever.

Rachel Bloch and Bethany Farese together again!

Class of 1999

If I could choose a few words to describe our class they would be: Tough, Diverse, Athletic, Gutsy and definitely Unpredictable. Yet we mix together so well to form a group unlike any other. We are the class of '99.

In June of 93, the class of '99 made its first appearance at BHS of 6th grade orientation day. And let me tell you no one knew what to expect from us. From that point on we were known as "The Class from Hell."

The nervous summer soon passed and we arrived bright and early on August 29th and were escorted into the gym for our 1st day of jr. high. Anticipation was in the air and the teachers grew weary. Our 1st two years at BHS flew right by without any trouble at all, (yeah right) and before we knew it we were officially high schoolers. The countdown now began to becoming seniors.

Freshman year, three years to go. Our class was first lead by President Mark Lussier, Vice President, Stacey Blue, Secretary, Lauren Cifizzari, and Treasurer, Rachel Bloch. They were great officers and collected class dues like no one else could. They also lead us through a great spirit week where our mascot, the purple punch buggy, drove us to a 2nd place victory, yet we took 1st place 3 out of the 5 days of the week. But the seniors prevailed taking our crown from us. We soon learned that spirit week is rigged. We ended our year with a trip to Riverside Park and had a great time.

Sophomore year, 2 more years to go. This year in office was a year of change. Stacey Blue was the only officer untouched in the election and now had three new faces to work with. The role of President was taken over by Trevor Gasper, Betahny Farese took on the new role of Secretary and Shannon Werner became Treasurer.

That year's spirit week was a definite low point for us. The question of the week was "Who's that 'Red Guy' on your bulletin board?" We took the last and final 4th place.

However in the BHS sports world a State Championship and Tri Valley League titles were won as the Ladyhawks ruled the playing fields. The Varsity Field Hockey team took home yet another State Championship, while the Volleyball team were Central champs. The Ladyhawks basketball team also made tournament for the first time in ten years.

On May 5th, 1997 we got out of our jeans, and into our gowns and tuxes and grinded the night away at our sophomore class Ring Dance. The gym was transformed into an outdoor theme, however the balloon trees hindered the decor. The court was chosen by the DJ's who played our song "Open Arms" about 800 times while Brian Fouhy and Jill Bernard became our new king and queen. Rene Krajek, Sarah Bigelow, Lauren Cifizzari and absent Misty Peloquin were Jill's princesses while Shawn Sullivan, Mike Stackpole, Jared Johnson and Harry Martin were Brian's dutiful princes.

Junior Year, one year to go. The office had only one new and final change to it and that was Rene Krajek, who took the place as new class treasurer. The four of us quickly proved our strength in office and were all reelected for our senior term.

In the midst of our junior year cram sessions the school administration proposed a new set of BHS rules. They decided that DECA would be closed for good for fear of food in the hallways, locker visits would be limited to 2 to 3 periods a day and did I mention the no hall pass rule? But have no fear our courageous President, Trevor Gasper quickly lobbied to preserve student rights at BHS, with his alleged walkout. Well, no one actually walked out, but lets just say that these rules were redesigned.

The BHS holiday season was kicked off with our annual Jr./Sr. Christmas Party at Savinni's Restaurant on December 22nd. Lauren Cifizzari, Sarah Bigelow, Beth Farese, Missy Peloquin and Nicole Reinsel spread a little holiday cheer along with an armful of candycanes, as they became airborne over the dance floor.

On the sports front, it was a year of firsts. The Weightlifting team took a first place in the AAU championships while the baseball team made tournament for the 1st time in ten years. But most importantly the golf team won its first match ever! With Erik Swenson leading the way.

In the midst of our SAT preparation we took a break to have a little fun at our Jr./Sr. Prom. On May 8th promgoers traveled to Glenn Ellen Country Club for a night to be remembered. As we paraded around the dance floor for about 20 minutes the court was later chosen and we had our new king and queen. Sara Bigelow and Justin Prophet watched over their princesses, Lindsey Hastings, Danielle Latraverse, Lauren Cifizzari, Theresa Motroni and princes, Bruce Denetolis, Shawn Sullivan, Pat Zielinski and Jared Johnson. And unlike last year the theme song "I will remember you" was not the only slow song played.

Senior Year. We made it, unharmed, unscratched and with a promise to never be ordinary.

We started off with Homecoming. This year the role of queen was so popular that not just one lady-hawk filled the crown but instead two. Stacey Blue and Jill Bernard shared the crown while King Justin Prophet loved every second of it. The princesses were Bethany Farese, Theresa Motroni and Melissa Ranieri who were escorted by their princes Adam Crawford, Sonny Milani, Bruce Denietolis, and Jared Johnson.

Our last spirit week made us somewhat BLUE . . . because our bulletin board took 3rd place. We were beaten out by excessive sparkles (juniors) but surprise, surprise we won. Did I mention that spirit week is rigged?!!

As our college deadlines approached a release was needed. On December 22, at Savinni's restaurant we had yet another Christmas party this year with star Marcus Floyd who rapped the night away.

The winter has long but finally spring arrived and with it came the Prom. Promgoers celebrated at the Sheraton Tara Hotel in Framingham. This year we opted for a bugget instead of a sit down dinner and unlike last year the food was actually edible. As we have at every dance a court was chosen and on it were some very familiar faces. Princesses, Sarah Bigelow, Lauren Cifizzari, Rene Kracjik, and Theresa Motroni surrounded Queen Danielle Latraverse. While King Q. (Tom Qvickland) stood amongst his princes, Erik Swenson, Ned Cameron, Dave Arnold and Dave Deorsey. And as we danced our last dance Dru Hill's "These Are the Times" played in the background. All I have to say is that the prom was sheer magic and pure ecstasy.

The Prom tired everyone out so much that the seniors held Bunk Day soon after on May 11th. The festivities started at 9pm with a campout at the Cameron's and the next day's events ranged from beach trips to Newport, shopping in Boston and cookouts in Bellingham. Bunk Day this year was successful for everyone.

In sports news the class of 99 had its most successful year ever. Bringing home many banners in all shapes and sizes. Our field hockey team once again made it to the state final lead by Captain Stacey Blue, Melissa Ranieri, Captain Beth Farese, Cindy Pultz, Theresa Motroni and Missy Peloquin. However we lost in 2-1 in OT. So we left it up to the boy's football team to bring home that State Banner and without a doubt they prevailed, beating out South Boston 34-8. And who can forget that nailbiting Millis game? Where the blackhawks were lead by senior captains Justin Prophet, Jon McGettrick, Shawn Koulopolous, Sonny Milani and Scott Cameron. Ryan Reilly, Trevor Gasper, Joe Bellanti, Jay Silva, Bruce Denitolis, Dave DeOrsey, Pete Grupposo, Brian Castiglioni, Derek Ward, Jared Johnson, and Justin Park were also key players in the blackhawks undefeated season. The Baseball team is also bringing home a banner this year for becoming the new TVL champs, thanks to Seniors Scott Tessier, Ryan Reilly, Shawn Sullivan, Victor De Costa, and Marc Allard.

The Last week of school quickly approached and the final two days were definitely unforgettable. On May 22nd, 1999 during 4th lunch the Class of '99 finally lived up to its name. On a count of 1, 2, 3 . . . the cafeteria turned into a scene from Animal House. And though the participants will remain annoymous we know who we are.

After everyone went home, showered, and changed we met back here to decorate and celebrate. Continuing into the next morning with our procession to the high school. In the spirit of class unity the parking lot was designated to seniors only while the juniors were turned away to the access road. Before our senior run could begin (oh wait that's right we didn't have a senior run) we were then ushered into the cafeteria for our last ever class meeting. We were then denied our class trip, however that did not prevent us from having a party of our own. The festivities were relocated from High Meadows to Fox Run Road (thanks Kirsten).

At the end of our junior year during a meeting for class T- shirts we thought of ten reasons why we're glad to be leaving high school. But as I stand before you today on my high school was the best time of our lives. We are the class of '99.

The Chicken Hunt

During our last two weeks at BHS many unusual happenings took place, including a proposed running of the chickens. But where are they?!!!

Captain Foo will lead the chicken hunt.

But obviously Amanda's a little too pre-occupied to assist us.

Ned's ready to help even though he has no idea with what.

Could Lauren be grilling the chickens? I hope not.

Shadia *that's* not a chicken!

World famous chicken photographer Q seems to have spotted one.

They haven't seen the chickens, but better yet, who are these people?

Chickens? What chickens? I don't smell any chickens.

I feel like chicken tonight.

Again . . . not chickens.

Joey's excited by the large chicken, while Beth is somewhat appalled.

I bet Lauren and Kirsten know where the chickens are . . . But they'll never tell.

The Class of 1999

The Class of 1999 would like to thank Mr. Dalpe and Mrs. D'Alfonso for their devotion to our success during our high school years. The past four years would not have been possible without their time, guidance, dedication, and most importantly, patience. Whatever our lives after high school will be, they will be better from having known you. We'll miss you, and we will never forget what you have done for us. Thank you!!!

The Class Officers worked tirelessly this year, to give the seniors a year to remember! Thanks guys! (President Trevor Gasper, Treasurer Renee Krajcik, Vice President Stacey Blue, and Secretary Bethany Farese)

Mrs. D'Alfonso moved this year . . . to Assistant Principal. Although her new position carries more responsibility, and stress, her dedication to the Class of '99 did not waver. Thanks a million!

While Mrs. D'Alfonso played musical chairs, Mr. Dalpe remained our constant, the anchor of the Class of '99. Thanks for all the help!

VALEDICTORIAN

Good Evening Parents, Faculty, Administration and Graduates of the Class of 1999,

As I stand before you tonight, I am overwhelmed with mixed emotions; I cannot fathom that this day has finally come. It seems like yesterday that we walked into BHS as seventh graders, feeling apprehensive and fearing all of the formidable seniors. But now, after six years have gone by, we are those same seniors that we had previously envied so much. We have grown up together, as the Class of 1999, and we have shared much laughter as well as many tears. We have etched in our minds countless memories that will remain with us to the end of our days. But beyond this nostalgia comes a sense of accomplishment, of unspeakable joy for achieving our common goal: graduation. We have been awaiting this day for a long time (because we started our countdown before our senior year even started!)

At this point in our lives, opportunity seems to spring at us from every direction. The time has come to choose a path to follow, a time to execute our will as adults. With this newfound freedom comes responsibility, for ourselves, for our actions and for others. Whether it is through college, the military, or the work force, each of us can succeed according to our own set goals and standards. And it is only up to us, not anyone else, to determine the choices we make, the choices that will make us distinct individuals in society.

A good friend of mine once said, "Life is random"; the more I think about that statement, the more I believe it. Life always has a funny way of handing us the most unexpected situations. I am beginning to learn that I cannot plan for every occurrence in my future. At the thought of that, I become a bit scared, but at the same time, it makes me savor the present so much more. Indeed, each of us will travel a unique path in life, one that will inevitably twist, turn and branch off into many directions. But before we turn onto our future paths, I challenge the Class of 1999 to *Carpe Diem!*, Seize the Day! Take each moment of your life and fill it to its utmost capacity, making sure to live life to its fullest. Baz Luhrmann put it well when he said, "Do something every day that scares you."

In closing, although it is time to close the chapter of our lives as students at BHS, let us look forward to our future, to a new beginning. But let us first enjoy this moment as we are united as the Class of 1999, the Millennium's Last Class, for the final time. Congratulations and *Good Luck* in your future endeavors!

SALUTATORIAN

Mark Lussier

Today we are making history. This is the last time we will be together as the class of 1999. We also have the distinct honor of being the last class of the 20th century to graduate from Bellingham High School. Six years ago we gathered together for the first time as strangers. Through the years we have spent countless hours in and out of the classroom. We've experienced times of triumph, excellence, rapture and we've helped each other through times of defeat and frustration. By sharing these common emotions we've built a powerful bond that will forever be etched in our memories and in our hearts. Now that our time here comes to a close, we are no longer strangers, now we will be parting as friends.

What does the future hold? It holds a different path for each and every one of us. We are all traveling down different roads in pursuit of our own personal goals. On this quest for success, the experiences we've had in our years here at Bellingham High School will give us insight on how to deal with similar experiences all through our adult lives. We will always reflect on the memories that we've acquired here. No matter where the journey of life takes us we will forever hold the common bond that we formed here at the starting point of our lives.

As we step out into the unknown of the 21st century, it is our responsibility to set an example for all those who follow us. Whichever path we choose to take, it is up to each of us to strive for optimal success. The word success can be very ambiguous. To some it means money, to others power, or maybe even respect. To me it means happiness. If your path in life brings happiness to you or others around you, then in my eyes that is true success.

In closing, I'd like to say that I am very proud to be a part of the class of 1999 at Bellingham High School. I wish the best of luck to each and every one of you in the future. Before I go I'd like to thank my mother & my father for all their support throughout the years. Class of 1999 — we finally made it — Let's party ON.

FREE BIRD

BY: LYNYRD SKYNYRD

IF I LEAVE HERE TOMORROW
WOULD YOU STILL REMEMBER ME?
FOR I MUST BE TRAVELLING ON, NOW,
'CAUSE THERE'S TOO MANY PLACES
I'VE GOT TO SEE.
BUT, IF I STAYED HERE WITH YOU, GIRL,

THINGS JUST COULDN'T BE THE SAME.
'CAUSE I'M AS FREE AS A BIRD NOW,
AND THIS BIRD YOU CAN NOT CHANGE.
LORD KNOWS, I CAN'T CHANGE.
BYE, BYE, ITS BEEN A SWEET LOVE.
THOUGH THIS FEELING I CAN'T CHANGE.

BUT PLEASE DON'T TAKE IT BADLY,
'CAUSE LORD KNOWS I'M TO BLAME.
BUT, IF I STAYED HERE WITH YOU GIRL,
THINGS JUST COULDN'T BE THE SAME.
CAUSE I'M AS FREE AS A BIRD NOW,
AND THIS BIRD YOU'LL NEVER CHANGE.
AND THIS BIRD YOU CAN NOT CHANGE.
LORD KNOWS, I CAN'T CHANGE.
LORD HELP ME, I CAN'T CHANGE.
